Item 3.2, Secretary's Report: Summer Party date will be September 16, Saturday, at Youngberg Hill Winery. First two Ladies' Nights have been held with attendance of 38 and 32 players. Two women's clinics, of 5-sessions each, are being offered at Court 51 from Angelica Boehme. Sold out immediately for 32 women. Email sent to sell remaining hats and visors, 6-items sold with income of \$90. 4 hats and 1 visor remain.

New merchandise ordered for Round Robin; 3-hats, 12 visors, and 6 towels.

Renewal of Dues: Renewal of Dues letter needs to be drafted and sent out June 1st. Marty will re-write and do so.

Item 4.1 Old Business: Roster Update: More new members with 12 joining in April and May, plus 1-couple and 1-family renewal.

Item 4.2, Paddle Queue and Court assignments On busy days, like Saturday mornings, the 2-North courts will be designated Advanced Play, and the 4-South courts Open Play. New signage would be nice saying, "Competitive Play" and "Recreational Play". A Four-in/ four-out system works well for Ladies' Night and when very busy with 9+ paddles in the queue, using the two queues (Challengers and Winners) on the South courts.

Popularity of Pickleball is causing overcrowding on the courts, and some conflict with club play time and public usage. All are welcome and the public cannot be asked to leave when club play is happening. Discussion about renting the courts at certain times for exclusive club use.

Marty will follow up with the city about rental fees and possibility to do so for Monday evening and Saturday mornings.

Cheryl Shockey will follow up with Linfield to see availability of their courts.
